**RE: AT&T Mobility ETC Designation**

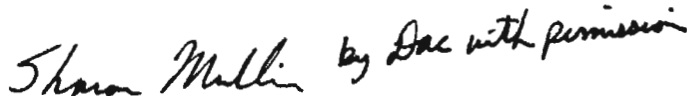

Dear Mr. Danner:

This letter is to notify the Washington Utilities and Transportation Commission (“Commission”) of some legal entity changes concerning AT&T Mobility’s eligible telecommunications carrier (“ETC”) designation in Washington.

On May 29, 2005, the Commission designated Bellingham Cellular Partnership, Bremerton Cellular Telephone Company, Hood River Cellular Telephone Company, Inc., New Cingular Wireless PCS, LLC and Olympic Cellular Telephone Company, Inc. as an ETC in certain areas in Washington.<sup>1</sup> Since that time there have been some internal changes to legal entities. Bellingham Cellular Partnership and Bremerton Cellular Telephone Company merged into New Cingular Wireless PCS, LLC. In addition, Hood River Cellular Telephone Company and Olympia Cellular Telephone Company have merged into AT&T Mobility Wireless Operations Holdings, Inc. These changes, however, do not impact AT&T Mobility’s overall management of its ETC designation in Washington.

If there are any questions, please do not hesitate to contact me.

Sincerely,

Sharon Mullin
