Re: Rainier View Water Co., Inc. – Docket UW-110054 - Tariff Filing

Dear Mr. Danner:

The purpose of this letter is to withdraw the Petition for Waiver filed on May 1, 2012, and to withdraw the tariff sheets that were filed by advice letter on April 27, 2012.

Please note that this letter does not withdraw the Settlement Agreement and Supporting Narrative which were attached as Exhibit 1 to the April 27, 2012, letter. Nor does it withdraw Exhibits 2 and 3 that were submitted with the April 27, 2012, letter. Those matters remain filed in the docket.

By companion letter of even date, Rainier View is filing revised tariff sheets in the docket as part of the supporting documentation for the Settlement Agreement.

It is the understanding of the Company that the Commission desires that the Settlement Agreement and supporting documentation be considered within the docket itself rather than at an open meeting proceeding.

Sincerely,

RICHARD A. FINNIGAN
