**Re: T-Mobile West LLC  
FCC Form 555 – Annual Lifeline Eligible Telecommunications Carrier – UT 210001  
Certification Form**

Dear Staff:

Enclosed is a copy of T-Mobile West, LLC's FCC Form 555 required to be filed with state commissions each year. The form was timely filed with the Universal Service Administrative Company through the USAC's E-File System and with the Federal Communications Commission through the FCC's Comment Filing System. The enclosed form contains information identical to that entered into USAC's E-File System. Because of that System's technical limitations, however, the enclosed Form 555 was not printed directly from the System as it would not list all affiliated ETCs.

Please contact me at your convenience if you have any questions.

Sincerely,

Davis Wright Tremaine LLP
