Judge Pearson:

Cascade confirms that it will extend the effective date of its current tariffs until such time as it is able to make its compliance filing in accordance with the Commission's Order 05 in Docket UG-200568. Given Cascade's anticipated timing for submitting its compliance filing and the compliance review period contemplated in Order 05, Cascade anticipates that the effective date for new rates will likely be June 1, 2021.

Thank you,
Jocelyn Pease

Good afternoon,

If Cascade could please either file a letter or respond to this email stating that Cascade extends the effective date of its current tariffs until such time as it is able to make its compliance filing in accordance with the Commission's order in Docket UG-200568, that would be great. Thank you!
