SCHEDULE 54 EMERGENCY SALES SERVICE

AVAILABLE:

In all territory served by the Company under the *Tariff* of which this schedule is a part. To Non-Residential Customers, in all territory served by the Company under the *Tariff* of which this schedule is a part, on a best efforts basis at times and in amounts determined in Company's sole judgment.

APPLICABLE:

To sales service on a best efforts basis, for use in approved equipment and installation to *firm* or *interruptible* customers under *curtailment*, up to the maximum volume limits imposed by Company on an hourly or daily basis, or both, and/or as a total over the estimated period of customer's emergency. Such limits may be established by instructions given by Company to any authorized representative of customer. Customer shall make a showing acceptable to Company that customer's operations could not be continued or severe damage to customer's facilities or the occupants of customer's facilities would occur, in the absence of service by Company under this schedule. Customer shall be obligated to exercise every reasonable effort to obtain and utilize an alternate supply of fuel so as to minimize the period over which this service is required.

SERVICE DESCRIPTION:

Service under this schedule is for emergency purposes only. Customer must make a showing acceptable to Company that Customer's operations could not continue or that severe damage to Customer's facilities or the occupants of Customer's facilities would occur in the absence of service by Company under this schedule. Customer shall be obligated to exercise every reasonable effort to obtain and utilize an alternate supply of fuel to minimize the period that emergency service is required.

Gas supplied under this schedule will be limited to the maximum volume limits imposed on Customer by Company on an hourly or daily basis, or both, and/or as a total over the estimated period of Customer's emergency. These limits may be established by Company in verbal or written instructions given to any authorized representative of Customer. Gas taken under this schedule will not be applied to the minimum monthly bill requirements under Customer's primary rate schedule.

Any gas taken in excess of that permitted shall be unauthorized, subject to charges set forth in **SCHEDULE C.**
