

QWEST CERTIFICATION OF NETWORK EMERGENCY PREPAREDNESS AND
COMPLIANCE WITH SERVICE QUALITY MEASURES

I, Robert W. Greenwood, the Vice President of Network Operations and Engineering – Washington, an officer of Qwest Corporation (“Company”), do hereby certify under penalty of perjury under the laws of the State of Washington that the following statement is true and correct.

The Company hereby certifies to the Washington Utility and Transportation Commission, pursuant to the requirements of WAC 480-123-030, that in 2006 it:

- 1) was able to remain functional in emergencies, and,
- 2) substantially complied with service quality measures in applicable Washington Commission rules.

DATED this 23 day of July, 2007, at Seattle, WA
(Location)

By: 

Robert W. Greenwood
Vice President of Network Operations and Engineering
Qwest Corporation
