Re: Docket Nos. TG-111672, TG-111674 and TG-111681, In re: Murrey's Disposal *et al.*

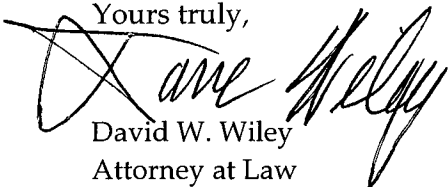

Dear Mr. Danner:

In consultation with and approval by counsel for the Commission Staff, Greg Trautman, this is to propose a further extension of the summary adjudication briefing deadlines in this matter which opening brief is currently due Wednesday, July 25, 2012.

This request is predicated upon the issuance of the Commission's Interpretive and Policy Statement under Docket TG-112162 on May 30, 2012. The Interpretive and Policy Statement is now precipitating scheduled discussions amongst the Companies, County and Commission Staff which we believe may cause scope of the disputed issues to be narrowed or resolved in further settlement negotiations. Because of that prospect, on behalf of the Companies, we are now requesting that the opening and reply briefing dates be continued to September 11, 2012 and September 25, 2012 which I understand Mr. Trautman also supports.

Should you have any questions regarding this request, please do not hesitate to contact me.

Yours truly,

David W. Wiley
