RE: *Washington Utilities and Transportation Commission v. Cascade Adventures Inc.  
d/b/a Cascade Adventures Baker Bus LLC*  
Docket TE-190086

TO ALL PARTIES:

On August 12, 2021, the Washington Utilities and Transportation Commission (Commission) entered Order 04, Approving Settlement Agreement; Classifying Respondent as a Charter and Excursion Carrier; Imposing and Suspending Penalties in Docket TE-190086. Order 04 assessed a penalty against Cascade Adventures Inc.; Cascade Adventures Baker Bus LLC, (Baker Bus or Company) in the amount of \$10,000, and suspended a \$9,000 portion of the penalty for a period of two years, to be then waived, subject to the following conditions: a) Baker Bus must not operate as a charter or excursion service carrier without first obtaining authority to conduct such operations from the Commission; and b) Baker Bus must timely pay the \$1,000 portion of the penalty that was not suspended .

On December 10, 2021, the Company received operating authority for charter and excursion carrier service in Docket TE-210919.

On October 25, 2023, Commission staff (Staff) filed a letter in this Docket informing the Commission that the Company had timely paid the \$1,000 portion of the penalty that was not suspended and that the Company has not incurred any further violations of critical regulations upon re-inspection.

The Commission finds that Cascade Adventures Baker Bus LLC has complied with the conditions of Order 04. The \$9,000 portion of the penalty that was suspended is now waived, and this Docket is closed.
