RE: Notice of Opportunity to Comment on Electric Utility Energy Independence Act Reports
Concerning Conservation

2020-2021 Biennial Conservation Reports:

Avista Corporation d/b/a Avista Utilities, Docket UE-190912

PacifiCorp d/b/a Pacific Power & Light Company, Docket UE-190908

Puget Sound Energy, Docket UE-190905

TO ALL INTERESTED PERSONS:

On June 3, 2022, the Washington Utilities and Transportation Commission (Commission) issued a Notice of Opportunity to File Written Comments (Notice). The Notice invited interested persons to respond to electric utilities' biennial conservation reports. It has come to the Commission's attention that the Notice also announced the opportunity to comment on reports concerning renewable portfolio standards (RPS reports). The RPS reports will undergo a separate public process later, where a separate Notice will be issued.

Questions for Commission Staff concerning biennial conservation reports should be directed to Heather Moline at heather.moline@utc.wa.gov or (360) 664-1330.
