RE: Order 20, Final Order
Docket TC-143691 – Application for Auto Transportation Authority

Dear Mr. King:

Order 20 (Final Order) issued November 17, 2017, in Docket TC-143691 required Shuttle Express, Inc. (Shuttle Express or company) to make a compliance filing by February 15, 2018. The company submitted a request on February 21, 2018, for an additional 30 days to comply with the order. As a reason, the company cited difficulties it was having as a result of the sudden departure of one of their employees that had been assigned to work on this compliance filing.

Commission Staff has reviewed the company's request, and has been in contact with the company about this matter. Staff believes the company is acting in good faith, and will be able to submit the required compliance filing within the requested 30-day extension period, with assistance from staff.

Staff recommends the commission grant the company's request for a 30-day extension.

Sincerely,

Mat Perkinson, Motor Carrier Safety Manager
Safety and Consumer Protection Division

Mike Young, Section Manager
Water and Transportation Section
