Hi Brian, thanks for getting back. I think I would like to call in for that.

Subject: Demand Forecast Model/Citygate Study

Christopher,

Sorry for the delayed response on the citygate study. We are hosting a TAG 1 meeting for our Oregon IRP on May 11th and the plan is to discuss the forecast model methodology in depth. If you would like to call-in we'll gladly send you an invite for the meeting. If you'd rather have a separate discussion about the forecast model with us, we'll also gladly host that at a different time.

Please let me know your preference and we'll work on setting this up.

Thanks,
Brian
