**Re: Advice No. W21-05-01, Compliance Filing
UG-200568, Cascade Natural Gas Corporation General Rate Case**

Dear Mr. Johnson,

Cascade Natural Gas Corporation (Cascade or Company) submits the attached filing in compliance with Commission Order No. 05 (Order 05), issued in conclusion to the Company's 2020 general rate case in docket No. UG-200568. The Company submits the following revisions to its Tariff WN U-3, which are stated to become effective June 1, 2021:

Seventh Revision Sheet No. 6	Eleventh Revision Sheet No. 597
Seventh Revision Sheet No. 6-A	Twentieth Revision Sheet No. 663
Second Revision Sheet No. 6-B	Eighth Revision Sheet No. 663-A
Seventh Revision Sheet No. 25	First Revision Sheet No. 663-B
Sixty-Third Revision Sheet No. 503	First Revision Sheet No. 663-C
Forty-Seventh Revision Sheet No. 504	First Revision Sheet No. 663-D
Forty-Sixth Revision Sheet No. 505	First Revision Sheet No. 663-F
Sixty-Fourth Revision Sheet No. 511	First Revision Sheet No. 663-G
Fifty-Eighth Revision Sheet No. 570	First Revision Sheet No. 663-H

In accordance with the terms adopted in Order 05 in docket UG-200568, this filing will decrease the Company's revenues by \$390,563 or 0.15 percent. In addition, Cascade was unable to directly tie two restating adjustments (R-1 and R-6) as explained within Order 05 with the results reflected within the Order 05 Attachment; regardless, Cascade adjusted its results to reflect the Commission's overall revenue decrease of \$390,563. Furthermore, Cascade will be seeking for clarification or reconsideration on one discreet adjustment.

The tariff changes proposed herein are consistent with the tariff revisions proposed in the Direct Testimony of Pamela J. Archer included in the Company's initial general rate case filing as Exhibit PJA-1T. The exception to these changes is schedule No. 597, which is revised in order to zero out rates in effect November 1, 2020, per WUTC Pipeline Replacement Policy Statement.
