- 1 On February 23, 2005, Commission Staff filed a Settlement Agreement on behalf of parties to this docket that would resolve all contested issues in this proceeding. On April 12, 2005, the Commission entered Order No. 15 in Docket No. UT-040788, Approving and Adopting Proposed Settlement; Rejecting Filed Rates; Accepting Proposed Settlement Rates.
- 2 Verizon submitted revisions to its proposed late fee tariff sheets under Advice No. 3140, consistent with the instructions in the order, on April 15, 2005. In addition, it filed tariff sheets to replace those filed with the settlement agreement to make minor corrections, to include minor items that had been inadvertently omitted, and to ensure that the tariff pages properly included the technical or administrative information that is required of tariff sheets. A list of these tariff sheets that are to become effective is attached to this order as Appendix A.
- 3 The Company represents, and the Staff confirms, that the filing is proper and within the terms of the Commission’s order adopting the settlement agreement. Verizon represents that no other party objects to the substitution of tariff pages.

The Commission has examined the Company's filing and finds that the filings comply with the terms of the Commission's Order.

4 Verizon filed price lists pages in conformity with the terms of the 15th Order, under Advice No. 3143. We accept those pages and acknowledge their compliance with the order.

5 Verizon also filed "draft" pages of tariffs that under the terms of the order would become effective on July 1, 2007. It represents that tariff pages that are identical in all material respects will be filed no later than June 1, 2007. The proposed pages are accepted as compliant with the order. The subsequent filing of these may be approved by letter from the Secretary if it is identical in all material respects with the draft pages submitted under Advice No. 3141.

ORDER

6 THE COMMISSION ORDERS That the tariff and price list sheets filed by Verizon Northwest Inc., on April 15, 2005, are in accordance with Order No. 15 in this proceeding and shall become effective on May 1, 2005.

7 Draft tariff sheets for rates to become effective on July 1, 2007, are in accord with Order No. 15. Pages that are in all material respects identical with these pages may be approved by letter of the Secretary if filed no later than June 1, 2007.

8 THE COMMISSION FURTHER ORDERS That Jurisdiction is retained by the Commission to effectuate the provisions of this and prior Orders entered in this proceeding.

DATED at Olympia, Washington, and effective this 29th day of April, 2005.
