Re: Rainier View Water Co., Inc. – Docket UW-110054 - Settlement Agreement

Dear Judge Friedlander:

By letter dated April 27, 2012, the Settlement Agreement and supporting Narrative were filed with the Commission. A courtesy copy is enclosed.

It was originally thought that the matter would proceed to a Commission open meeting. However, those thoughts have changed.

This letter is filed by the parties to the Settlement Agreement to request that the Settlement Agreement be considered in an expeditious manner. If
