Re: *In the Matter of the Petition of Puget Sound Energy, Inc. for Approval of a Power Purchase Agreement for Acquisition of Cost Transition Power, as Defined in RCW 80.80.010, and the Recovery of Related Acquisition Costs, Docket UE-121373*

In the Matter of the Petition of Puget Sound Energy, Inc. and NW Energy Coalition For an Order Authorizing PSE to Implement Electric and Natural Gas Decoupling Mechanisms and to Record Accounting Entries Associated with the Mechanisms, Dockets UE-121697 and UG-121705

In the Matter of Puget Sound Energy, Inc., WN U-60, Tariff G, Electric Service, Advice No. 213-01 and WN U-2 Natural Gas Service, Advice No. 2013-02, Dockets UE-130137 and UG-130138

Dear Mr. King,

Public Counsel respectfully requests that the status conference scheduled for Monday, February 25, 2013, in the above-captioned dockets be held on the record.

In support of this request, Public Counsel notes that each of these dockets involve important policy and legal issues and that have the potential to significantly impact customer rates. In addition, Staff and PSE's proposal to resolve these dockets together raises serious issues, which Public Counsel previously addressed in opposition to Staff's motion for extension (Public Counsel Response To Staff Motion For 30-Day Extension, filed February 4, 2013). Any Commission proceeding that impacts the resolution of these issues and dockets should be a matter of public record.
