Subject: October 27, 2016 Letter Bremerton Transmission Line #2
Date: Thursday, November 10, 2016 4:00:12 PM

Hi Jeremy

Based on the validation of key pipeline information as described in your 10/27/16 letter, we concur with CNGs proposal to restore the operating pressure for the 8" & 12" Bremerton Transmission line #2

Let me know if you have questions
