Desc I spoke with Byron re: Applewood subdivision. He said Applewood has 25 lots. Byron said that he initially called Susan Grenier at CL but found she was out of the office. He then emailed the plans for Applewood to CL's Mar Guz on 7/6/17, for the opportunity to drop lines. On 7/27/17, Brian, from Mark Guz's office, called Byron and stated that the cost of coming in vs. the opportunity for revenue isn't worth it to CL financially and that they were opting out.

I asked Byron if CL had attempted to enter into an agreement with his company to drop the lines and Byron said there was no discussion other than CL opting out for financial reasons.
