Dear Ms. Washburn:

**Subject: CONTRACT NO. 1306ICB (Docket No. UT-031039)**

Verizon Northwest Inc. filed Contract No. 1306ICB on June 6, 2005, Amendment No. 1 to an existing customer specific agreement for 5-1-1 Routing Service currently pending approval in Docket No. UT-031039 with a requested effective date of July 11, 2005. Amendment No. 1 has not been made effective by the Commission. Please find attached Amendment No. 2 to replace and supersede Amendment No. 1 in its entirety.

The original Agreement was filed under Contract No. 1259ICB, effective July 10, 2003 in Docket No. UT-031039. Please refer to Verizon's June 26, 2003 advice letter for Contract No. 1259ICB in this docket. The background and caveats stated in that letter are also applicable to this amendment.

Amendment No. 2 does not impact the rates in the current agreement. The purpose of Amendment No. 2 is to 1) extend the term of the Agreement for currently installed Service on a month to month basis for no more than twelve (12) months and 2) provide for a transition of Service to a general tariff offering in the event a general tariff offering for this Service becomes available from Verizon, 3) remove the Central Office Switch Activation Charge, Per Central Officed Switch Translated Nonrecurring Charge and 4) add language that clarifies the applicability of the nonrecurring charges.

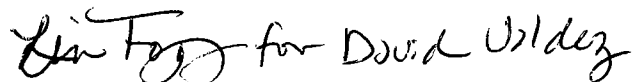

Since the Company and Staff have agreed to the terms for providing this service, no new cost support documentation is included with this filing.
