COMMISSION

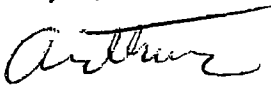

Dear Ms Washburn,

Point Recycling and Refuse Company (G-155) is submitting changes to our Tariff #1. We request LSN Filing for these changes.

The changes are to: add new Special Cleanup Containers and other special cleanup services; add new hourly rates for tandem rear drive axle packer truck, decrease hourly minimum charge; change overweight charges for containers from "double" to per pound overweight; add 3-yard overweight charge; add company specific definition for special container/cleanup.

These services have been requested by our customers. Customers will be informed of these new services on the next regular billing.

Thank you,

Arthur Wilkowski, Owner
