- 1 William D. Hearn, d/b/a Bingen Garbage Service holds Certificate of Public Convenience and Necessity No. G-51. Certificate No. G-51 was issued under the provisions of RCW 81.77 and authorizes solid waste collection service in portions of Skamania and Klickitat Counties.

- 2 The commission in its GIS (Geographical Information System) mapping project found that Certificate No. G-51 did not include a clear description of the Community of Lyle in Klickitat County.

- 3 In view of this fact, on June 22, 2006, Ms. Holly Demchuk, William D. Hearn’s daughter and Senior Manager of Bingen Garbage Service, filed a request to revise and reissue Certificate No. G-51 to reflect changes suggested by staff in the GIS mapping project.
