DATE: May 16, 2007
SUBJECT: Docket TV-070698; Application for Acquisition of Control

Docket TV-070698 is an application for acquisition of control of HG-908 Bekins Moving & Storage, Co., by Karen Strong Bekins.

Under WAC 480-15-260, the commission will grant an application for acquisition of control permanent authority when the ownership of a permit is being transferred to any shareholder, partner, family member, employee or other person familiar with the company's operations and the household goods moving services provided.

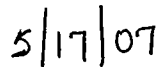

The current owner, Paul Bekins, will have 45% of the shares and Karen Strong Bekins will have the remaining 55% of shares.

The current permit HG-908 is in order as follows:

- Records Center has a current annual report on file.
- Financial Services reports the company has paid appropriate regulatory fees.
- The commission does not have any outstanding penalty or other fine against HG-908.
- Consumer Affairs does not have a pending consumer complaint.
- Transportation Safety does not have a pending compliance action.

I recommend the commission grant the transfer application in Docket TV-070698.
