

BEFORE THE WASHINGTON UTILITIES AND TRANSPORTATION COMMISSION

LESS THAN REQUIRED NOTICE REQUESTED BY:

Verizon Northwest Inc. 313-013-420
(Utility Name) (Utility UBI Number)

Utility proposes Renewal of Agreement for Analog and Digital Number Contract No. 1345ICB
CentraNet Service, CMAC and SMDR Service
(Contract Title)

Indicate below, or attach, an explanation of the reason the company requests permission to file the proposed provisions with less than required notice.

Verizon Northwest respectfully requests this ICB contract become effective August 31, 2007. The customer's current Agreement expired on 7/31/07 and with no effective contract in place, the Company reverted the Customer's CNET Service to higher tariff rates effective 8/1/07 for the 30 day minimum period required under the tariff. The Customer would like their Service to move back under an effective contract as soon as possible because the rates are lower and the CMAC can only be provided under the contract. The Customer's SMDR service can't be provided under tariff due to their line size and has been disconnected. Once the new contract is made effective, SMDR can be put back into service.
