CWA, Inc

(Utility Name) Airporter Shuttle (Utility UBI Number) 602-240-445

(Utility d/b/a if different than registered name) _____

Utility proposes to change Time schedule Number C-1073
(tariff title, price list title, etc.)

Present provisions are: 4 trips per day

Proposed changes are: 5 trips per day/ move 6AM departure to 5AM/ add North Bend to location

Indicate below, or attach, an explanation of the reason the company requests permission to file the proposed provisions with less than statutory notice and to provide notification to customers on less than required notice.

-our passenger counts are down due to reduced travel nationally; we therefore need to improve our service and make it more attractive to the market; adding another run, changing the departure time of one and adding a new pickup location together should make a difference to our customers. The peak travel season is in the summer, we therefore want to implement our changes immediately rather than wait 30 days; the impact to customers should be very positive.
