NOTICE OF TARIFF CHANGE
(Washington Electric Service Only)

Notice is hereby given that the “Sheets” listed below of Tariff WN U-28, covering electric service, has been filed with the Washington Utilities and Transportation Commission (UTC) in Olympia.

Substitute Second Revision Sheet 70-R

Canceling Second Revision Sheet 70-R

The purpose of this filing is to reflect three recent revisions to Washington policy related to net metering and interconnection standards. These revised policies include: 1) the definition of and timing for unused credits of net-metered renewable power passed by the 2006 Legislature, 2) new interconnection standards recently adopted by rule by the Commission, and 3) a generation incentive recently proposed by rule by the Department of Revenue.

There is no revenue change associated with this filing. Also enclosed is a “Notice of Tariff Change” which will be posted to the Company’s website coincident with the date of this filing.
