RE: *Washington Utilities and Transportation Commission v. 3rd Generation Movers and Hauling*
Commission Staff's Response to Request for Payment Arrangements
Docket TV-120900

Dear Mr. King:

On January 31, 2014, 3rd Generation Movers and Hauling (3rd Generation) contacted the commission in response to the Notice of Intent to Send to Collections, Penalty Assessment, in the above-referenced docket. 3rd Generation requested payment arrangements of \$420 every month, until the company pays its \$2,100 penalty assessment in full. Commission staff supports 3rd Generation's request for monthly payments of \$420, as follows:

1. The first \$420 payment is due no later than February 15, 2014.
2. The second \$420 payment is due no later than March 15, 2014.
3. The third \$420 payment is due no later than April 15, 2014.
4. The fourth \$420 payment is due not later than May 15, 2014.
5. The fifth \$420 payment is due not later than June 15, 2014.

If 3rd Generation does not pay the entire penalty in full by 5:00 p.m. on June 15, 2014, the commission may cancel 3rd Generation's household goods permit.

Sincerely,

Sharon Wallace, Assistant Director
Consumer Protection and Communications
