Dear Mr. Danner:

Documents have been electronically filed to institute new Door-to Door / Shared Ride Service between Whidbey Island and Bellingham International Airport (BLI) under the provisions of WAC 480-30-301. Seatac Shuttle currently only offers scheduled service on this route under the provisions of WAC 480-30 as suggested by UTC staff that allows the flexibility to meet the ever changing airlines schedules at BLI. This new service will increase that flexibility and offer tailored personal service to the public rather than requiring them to be at a designated stop at a set time.

The following documents constitute the filing:

Map of service Zones

Rate Table for Service Zones

Time Table / Hours of operation of Service

Changes to Passenger Rules reflecting the addition of the service

There is no effect upon our scheduled time table or rates for scheduled service to BLI.

Thank you very much.

Sincerely,

John J. Solin
President
