Re: **Do Not Redocket** - Substitute Sheets - Seventeenth Revised Sheet No. 2 and
Eighteenth Revised of Sheet No. 4

Dear Mr. King:

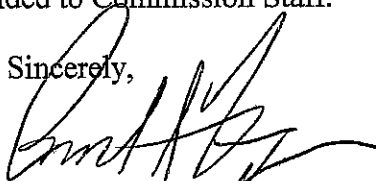

Attached you will find the electronic copies of the above-referenced sheets. These are substitute sheets.

The purpose of substitute Seventeenth Revised Sheet No. 2 is to put in the correct tariff signal noting the change from the Department of Ecology to the Department of Health who now has the responsibility of issuing permits.

The change to Eighteenth Revised Sheet No. 4 is due to a change in information from generators. There has been a significant change in the estimated shipping information that affects the dose rate. As a result, there are substantial changes to that rate.

Supporting work papers will be provided to Commission Staff.

Sincerely,

RICHARD A. FINNIGAN
Attorney for US Ecology Washington, Inc.
