Re: Mashell Telecom, Inc. d/b/a Rainier Connect - First Revised Sheet No. 805.1
Canceling Original Sheet No. 805.1

Dear Mr. King:

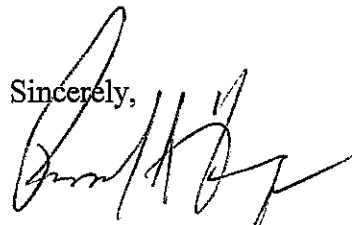

As part of the process of getting the state access tariffs to conform to the FCC requirement that intrastate terminating switched access charges mirror interstate terminating switched access charges, Commission Staff has requested that the language related to the interim universal service charge (or ITAC) be deleted. This filing is to conform to that request.

In the NECA concurrences that have been filed, there is language to the effect that the ITAC no longer applies. However, the Company is willing to follow Staff's suggestion so that way possible confusion is removed.

The undersigned has authority to issue and file tariff sheets on behalf of Rainier Connect.

Thank you for your attention to this matter.

Sincerely,

RICHARD A. FINNIGAN
