Re: The Toledo Telephone Co., Inc. - First Revised Sheet No. 46.4.1
Canceling Original Sheet No. 46.4.1

Dear Mr. King:

As part of the process of getting the state access tariffs to conform to the FCC requirement that intrastate terminating switched access charges mirror interstate terminating switched access charges, Commission Staff has requested that the language related to the interim universal service charge (or ITAC) be deleted. This filing is to conform to that request.

In the NECA concurrences that have been filed, there is language to the effect that the ITAC no longer applies. However, the Company is willing to follow Staff's suggestion so that way possible confusion is removed.

Mr. Merten has authority to issue tariff sheets for The Toledo Telephone Co., Inc. The undersigned has authority to file said sheets on behalf of The Toledo Telephone Co., Inc.
