RE: Docket No. UE-131752 (Advice No. 2013-20)  
Request for Withdrawal - Filed Electronically via WUTC web portal

Dear Mr. King:

On September 13, 2013, Puget Sound Energy, Inc. (the "Company") submitted a filing under Company advice number 2013-20 which was assigned Docket No. UE-131752.

By this letter and pursuant to WAC 480-80-131, the Company respectfully requests withdrawal of the September 13, 2013 submittal under Docket No. UE-131752. The filing in Docket No. UE-1317525 included two tariff sheets from the Company's WN U-60 (electric) tariff.

The Company has decided to withdraw the above-described filing. In accordance with WAC 480-80-131(6), the request to withdraw the tariff sheet described herein is being made by Ken Johnson who has authority to withdraw the filing on behalf of the Company.

The Company is requesting withdrawal of this filing because schedules 448 and 449 already provide a mechanism for using a "Replacement Index" (i.e. Section 10.2 of Schedule 449). The Replacement Index provision allows for use of a Replacement Index that the "Customer and the Company shall select a mutually agreeable permanent replacement".

PSE is pleased to report that the customers and the Company have come to a mutual agreement on the selection and use of the IntercontinentalExchange ("ICE") Mid-Columbia Index as the Replacement Index. The Company expects to submit a new filing that will fully incorporate the ICE Mid-Columbia Index into Schedules 448 and 449 at a future date.
