Re: Withdrawal of Island Network, LLC's Registration

Dear Washington Utilities and Transportation Commission:

We represent Island Networks LLC dba Rock Island Communications (the "Companies"). This letter is written to formally request withdrawal of the Registration and Competitive Classification of Telecommunication Company recently filed by the Companies. Rock Island Communications is an Internet Service Provider, and via a contract, provides voice over ip services to its customers, among other internet type services. There is no need for the company to register given that it is an ISP, and thus request this withdrawal.

Thank you for your attention to this matter, and if you have any further questions, do not hesitate to contact the undersigned attorney.

Sincerely,
Ascent Law Partners, LLP
