**Re: Advice No. 2016-08
Electric Tariff Filing - Filed Electronically**

Dear Mr. King:

Puget Sound Energy (“PSE”) hereby submits proposed revisions to rates under its electric Schedule 140, Property Tax Tracker. This filing, pursuant to RCW 80.28.060 and Chapter 480-80 WAC, proposes revisions in the following electric tariff sheets:

WN U-60, Tariff G - (Electric Tariff):

- 3rd Revision of Sheet No. 140-B - Property Tax Tracker (Continued)
- 3rd Revision of Sheet No. 140-C - Property Tax Tracker (Continued)
- 3rd Revision of Sheet No. 140-D - Property Tax Tracker (Continued)
- 3rd Revision of Sheet No. 140-E - Property Tax Tracker (Continued)
- 3rd Revision of Sheet No. 140-F - Property Tax Tracker (Continued)
- 3rd Revision of Sheet No. 140-G - Property Tax Tracker (Continued)
- 3rd Revision of Sheet No. 140-H - Property Tax Tracker (Continued)
- 3rd Revision of Sheet No. 140-I - Property Tax Tracker (Continued)
- 3rd Revision of Sheet No. 140-J - Property Tax Tracker (Continued)
- 2nd Revision of Sheet No. 140-K - Property Tax Tracker (Continued)
- 2nd Revision of Sheet No. 140-L - Property Tax Tracker (Continued)
- 3rd Revision of Sheet No. 140-M - Property Tax Tracker (Continued)
- 2nd Revision of Sheet No. 140-N - Property Tax Tracker (Continued)
- 3rd Revision of Sheet No. 140-O - Property Tax Tracker (Continued)
- 1st Revision of Sheet No. 140-P - Property Tax Tracker (Continued)

The primary purpose of this filing is to implement changes to rates under the established Property Tax Tracker, as provided in the Commission’s Order 07 (Final Order Granting Petition) in Docket Nos. UE-121697 and UG-121705 (consolidated) and the Commission’s Order 07 (Final Order Authorizing Rates) in Docket Nos. UE-130137 and UG-130138 (consolidated) (“Order 07”). Schedule 140 includes a mechanism for adjusting rates, both up and down; to pass through the cost of property taxes that PSE actually pays. Work papers supporting this filing are enclosed.

Schedule 140 provides that PSE must file revisions on or prior to April 15 for rates to be effective on May 1st each year. To allow adequate time for Commission Staff’s review, PSE and Commission Staff have verbally agreed to adjust the timing. Consistent with the adjusted timing,

this initial filing is being made a minimum of 30 days prior to the effective date with an estimate of the current year taxes. In addition, a subsequent filing will be made as close to April 15th as possible, that will update the estimates to actual amounts.

Overall, this proposal represents an average increase of 0.2% in overall bills for all customers. For example, the typical residential customer using 1,000 kWh per month will experience an increase of \$0.30 per month.

WAC 480-100-194 provides that the published notice informing customers of the proposed increase be provided at least thirty days prior to the effective date. In conjunction with the use of an estimate for property taxes not yet billed as described above, PSE respectfully requests that the Commission allow the use of that estimate in the notice to customers required by WAC 480-100-194. To the extent that this request requires approval by the Commission, PSE requests that approval. PSE will provide the required notice through a published notice as provided in WAC 480-100-194(2) on or prior to March 31, 2016.

The tariff sheets described herein reflect issue dates of March 31, 2016, and effective dates of May 1, 2016. Posting of proposed tariff changes, as required by WAC 480-100-193, is being made by posting the proposed tariff sheets on the PSE web site immediately prior to or coincident with the date of this transmittal letter.
