RE: Eligible Employee List Update

Enclosed is a list of employees eligible for the DOT drug/alcohol testing program. Please make any necessary changes to the enclosed employee list. Please mail, fax, or send e-mail to: mikebliven@aworksafeservice.com with the revised employee list within (14) days. If there are no changes, it is not necessary to return the list.

Please note that this is not a notice to report for testing!!!

The following paragraph is a reminder on how a company should handle their random selection notice.

A company must notify the employee for testing as soon as practical after receiving notification of the employee's required testing. If the employer is unable to notify the employee for testing because the employee is not and will not become available for testing prior to the end of the selection period, let me know as soon as possible.

If you have any questions, please feel free to call. Thanks for your cooperation!
