Re: Petition of Blue Jay Wireless, LLC for Limited Designation as a Wireless Eligible Telecommunications Carrier in the State of Washington and Request Confidential Treatment of Exhibit F to the Petition

Dear Mr. King,

Blue Jay Wireless, LLC (Blue Jay or the Company), through its counsel, hereby submits to the Washington Utilities and Transportation Commission (Commission) the attached Petition for Limited Designation as an Eligible Telecommunications Carrier.

Blue Jay respectfully requests that the Commission accord confidential status to Exhibit F provided with the Amended Petition that falls squarely within the scope of WAC 480-07-160(2)(c):

Valuable commercial information, including trade secrets or confidential marketing, cost, or financial information, or customer-specific usage and network configuration and design information, as provided in RCW 80.04.095.

The material in question consists of financial statements for the Company. This information is submitted in support of Blue Jay's ETC request and is held confidentially by Blue Jay. This material fits solidly within the scope of WAC 480-07-160(2)(c) and disclosure would unnecessarily injure the Company's competitive position in the communications market in Washington and elsewhere.

Because the information for which confidential treatment is requested fits demonstrably within the scope of WAC 480-07-160 and because Blue Jay would suffer injury by disclosure of this information, Blue Jay requests that the Commission accord confidential status to this information.

Sincerely,

BLUE JAY WIRELESS, LLC
