RE: *Washington Utilities and Transportation Commission v. Bed Rock, Inc., DB Hauling, LLC, Emerald Services, Inc., and Mountain Barge Services, LLC*
Docket TG-170916

TO ALL PARTIES:

On September 1, 2017, the Washington Utilities and Transportation Commission (Commission) served a Notice of Intent to Cancel Solid Waste Collection Certificate and Opportunity to Request a Hearing (Notice) on Bed Rock, Inc., DB Hauling, LLC, Emerald Services, Inc., and Mountain Barge Services, LLC (collectively, the Companies). The Notice informed the Companies that, due to failure to submit an annual report and/or failure to pay the required regulatory fee, the Commission would cancel the Companies' certificates of authority unless they came into compliance within 30 days, or requested a hearing to demonstrate why the Commission should not cancel their authority.

On October 6, 2017, Commission staff (Staff) filed a letter in this docket informing the Commission that the Companies have all come into compliance, and recommending that the Commission close the docket without further action.

The Commission has reviewed the record in this docket and accepts Staff's recommendation. The Commission closes this docket.
