Re: Status of Compliance of Companies Named in the Notice of Intent to Cancel and Opportunity to Request a Hearing UT-170918

Dear Mr. King,

On Friday, September 22, 2017, the Commission served a Notice of Intent to Revoke Competitively Classified Telecommunications Company Registration and Opportunity to Request a Hearing (Notice) on 13 competitively classified telecommunication companies. The Notice informed each company that the commission intends to cancel its authority unless, within 30 days, the company comes into compliance with applicable law by (1) submitting the delinquent annual report and/or paying the required regulatory fee or (2) requesting a hearing to demonstrate why the company's authority should not be canceled.

The thirty days elapsed on Sunday, October 22, 2017. As of Monday, October 30, 2017, the following companies came into compliance with annual report and regulatory fee submission requirements:

Airnex Communications Corporation  
Cbeyond Communications, LLC  
Global Grid Telecom, Inc.  
Greenfly Networks, Inc.  
Ionex Communications North, Inc.  
Modus, Inc.  
Washington Telco, LLC

Because these companies are in compliance, the commission need not cancel each company's registration.

As of Monday, October 30, 2017, the following companies remain out of compliance with annual report and/or regulatory fee submission requirements:

Apptix, Inc.  
Business Discount Plan, Inc.  
Cytel, Inc.  
iNetworks Group, Inc.  
IPDATASTREAM, LLC  
Reliance Globalcom Services, Inc.

Pursuant to the Notice and to the commission's delegation rules at WAC 480-07-905(9), the commission's executive secretary may now enter an order canceling the registrations of these companies.

Sincerely,

/s/ Sean Bennett
