RE: Sanitary Service Company, Inc. G-14 –Recycling Commodity Price Adjustment TG-180488 - revised

Dear Secretary Johnson:

Enclosed are replacement pages to Solid Waste Tariff No. 8 for Sanitary Service Co, Inc., Docket TG-180488.

Due to the volatility in the recycling markets as a result of China Sword restrictions, we are requesting a waiver from WAC 480-70-351(2). The revised calculation uses the most recent six-month historical period to estimate the recycling commodity credit/debit for the next six months.

The impact of the revised tracker is an increase in the residential recycling commodity rate from a debit of \$0.42 to a debit of \$0.89 per customer, per month and an increase in the multi-family recycling commodity rate from a debit of \$0.25 to a debit of \$0.31 per yard per pickup.

In accordance with WAC 480-70-271(2), to the extent the Commission approves the rates reflecting the recycling commodity price adjustment, affected customers will be notified of this commodity rate increase on their next regularly scheduled billing.

Please feel free to call me at (360) 527-9783 if you have any questions about this filing.

Sincerely,

Amber Jones
