TE170187 - Cancellation of Permit or Certificate CH067051 Due To Insufficient Proof of Insurance

Dear Pack's Delivery LLC:

On February 9, 2017, the Washington Utilities and Transportation Commission (Commission) notified you that your transportation certificate would be canceled unless you submitted acceptable proof of insurance by March 18, 2017. Our records show that you failed to submit acceptable proof of insurance by that deadline. As a consequence, the Commission has CANCELED your certificate. You must immediately CEASE all operations associated with this certificate.

You have the right to a hearing. If you believe the Commission should not have canceled your certificate, you may ask the Commission to schedule a hearing before an administrative law judge. At the hearing the only issue the Commission will address is whether you had proof of insurance on file to avoid cancellation. Your request should be addressed to Steven V. King, Secretary, 1300 S. Evergreen Park Dr. SW, P.O. Box 47250, Olympia, WA 98504-7250. You may also email your request to records@utc.wa.gov. The Commission must receive your request within 14 days after the date of this letter.

You may apply to reinstate your certificate. Download the reinstatement application at www.utc.wa.gov. To locate the application, go to Quick Links on the front page, select "Transportation Permit Applications" and the appropriate industry application.

If you have questions about this notice, please contact Licensing Services at (360) 664-1222. You may also email us at transportation@utc.wa.gov.

Sincerely,

Suzanne Stillwell

Licensing Services Manager

Description: 8/04/18 @ 9:41 a.m.: I called the Pack's Shuttle phone number listed on the advertisement in the Holiday Inn Express lobby, (509) 762-1234, and spoke with Pack's Shuttle.

I stated that I'm staying at the Holiday Inn Express and am going to the Watershed Country Music Festival with my family at the Gorge Amphitheatre today and explained that I saw the Pack's Shuttle advertisement for shuttle service in the hotel lobby. I inquired as to how much it would cost for shuttle service from my hotel to the concert and how many seats were available. I explained that I have myself and eight other family members that are looking for transportation.

The male Pack's Shuttle employee asked me if I had a reservation scheduled with the company and I responded that I did not have a reservation yet, as I was just made aware of the company's service. The Pack's Shuttle employee stated that the company doesn't pick up passengers until a reservation is booked. The Pack's Shuttle employee informed me that the dispatcher won't be in until 11 a.m., and explained that I'd have to make reservations with them and make payment prior to Pack's Shuttle providing transportation service to the Gorge Amphitheatre.

I inquired as to what time or times Pack's Shuttle is transporting people from the hotel to the concert. The employee stated that pick up times are not scheduled, and that rides are by appointment only. The employee stated that the company will be providing rides all day.

I stated that I would call back at 11 a.m. when the dispatcher is in to schedule a ride and again asked what the cost is for transportation and if they have a vehicle big enough for my party of nine.

The Pack's Shuttle employee stated that the company has a 15 passenger bus and stated that it would cost \$45 per person for round trip transportation from Holiday Inn Express to the Gorge Amphitheatre and back. The employee also stated that the company has a nine passenger van that would be available at a cheaper rate, but never provided the rate for the nine passenger vehicle.

I thanked the employee for the information and stated that I would call back at 11 a.m. to book a ride. The phone call was ended.
