RE: Notice of Intent to Send to Collections, Penalty Assessment DG-180995

Dear Sir or Madam:

As you are aware, on January 16, 2019, the Washington Utilities and Transportation Commission issued a Penalty Assessment against Innovative Plumbing Solutions, LLC in the amount of \$2,000 for violations of RCW 19.122.030(2) for failing to provide the required notice to a one-number locator service not less than two business days before excavating. The Commission sent you a Final Notice dated March 6, 2019, indicating that the balance of \$2,000 was due.

The Commission has not received the \$2,000 payment due and owing.

This is to notify you that the Commission intends to forward your outstanding debt to a collection agency for collection. You likely will incur additional expenses and fees, including costs of collection, attorney's fees, and interest. These expenses and fees will be added to your outstanding \$2,000 balance.

If you have any questions about this letter or about the company's obligations under Commission rules, you may contact Kim Anderson at (360) 664-1153.

Very truly yours,

SALLY BROWN
Senior Assistant Attorney General
