TV180774 - Cancellation of Provisional Household Goods Permit THG067948 Due To Insufficient Proof of Insurance

Dear BM Logistics LLC:

On August 3, 2018, the Washington Utilities and Transportation Commission (Commission) notified you that your transportation permit would be canceled unless you submitted acceptable proof of insurance by September 7, 2018. Our records show that you failed to submit acceptable proof of insurance by that deadline. As a consequence, **the Commission has CANCELED your provisional permit and dismissed your application for permanent household goods authority. You must immediately CEASE all operations associated with this permit. If you advertise or operate as a household goods mover without a valid permit, the commission may take enforcement action against you.**

You have the right to a hearing. If you believe the Commission should not have canceled your certificate, you may ask the Commission to schedule a hearing before an administrative law judge. At the hearing the only issue the Commission will address is whether you had proof of insurance on file to avoid cancellation. Email your request to Mark L. Johnson, Secretary, at records@utc.wa.gov. You may also mail your request to 1300 S. Evergreen Park Drive. SW, PO Box 47250, Olympia, WA 98504-7250. The Commission must receive your request within 14 days after the date of this letter.

You may apply to reinstate your permit. Download the reinstatement application at www.utc.wa.gov. To locate application instructions, type "File Your Transportation Application Electronically" in the site search bar, and select this link. Then, click on the appropriate industry application.

If you have questions about this notice, please contact Licensing Services at (360) 664-1222. You may also email us at transportation@utc.wa.gov.

Sincerely,

Suzanne Stillwell
Licensing Services Manager

NOTICE: This action is delegated to the Secretary, or the Secretary's delegate, for decision. In addition to serving you this letter, the Commission will post on its website for at least 14 days a list of all matters delegated to the Secretary for decision. You may seek Commission review of this decision. Email your request to Mark L. Johnson, Secretary, at records@utc.wa.gov. You may also mail your request to 1300 S. Evergreen Park Drive. SW, PO Box 47250, Olympia, WA 98504-7250. You must file a request for Commission review no later than 14 days after the date of this letter.

Hi Scott,

Thank you for your inquiry. We are still available on Sunday, February 3rd at 9:00am.

Our rate is \$100/hr for two movers and a truck plus one time travel fee of \$40, so first 3 hours will cost \$340 (minimum), and after that each additional 15 minutes of work will be \$25.

Based on the information you provided, your move can take around 4 hours, so it will cost approximately \$440.

We record start time when we arrive at your residence, and we stop charging when we finish in new address.

We accept cash and credit card. The movers can accept both. Payment is due upon completion of the move.

We'll protect furniture using moving blankets and shrink wrap. All necessary equipment comes with the truck (dollies, hand trucks, tools, blankets, shrink wrap, straps). We can disassemble and assemble furniture if needed. It's all included in the price.

Please let me know if you have anything that weights more than 200lb., and if you have stairs in both locations.

Feel free to ask if you have any other questions or let me know if you would like to book your move.

Best regards,
Julia.

There is a 3% processing fee for credit/debits cards. If you pay cash, there is a 5% discount. We don't take checks.

There's no cancellation/rescheduling fee if you'll update us at least 2 days in advance. Thank you for your courtesy. We reserve the right to charge up to the \$120 for inadequate notice.

Please think which value protection option you would like to choose when movers arrive:**OPTION 1— Basic Value Protection**

Option 1 is the minimum level of liability a mover may assume when moving your goods. The mover's liability is 60 cents per pound per item.

Example: If a two-pound vase were broken, the company would pay you \$1.20 (2 lb x \$.60 per lb).

*Cost: There is **no charge** for this coverage.*

OPTION 2— Replacement Cost Coverage with \$300 Deductible

Option 2 provides full coverage, less a \$300 deductible. The mover's maximum liability is your declared value of the belongings, or \$5 times the weight of the shipment, whichever is greater (less the \$300 deductible).

Coverage: The mover will repair the damage to your satisfaction (less the \$300 deductible), reimburse the customer, or replace the damaged goods for any amount above the \$300 deductible. The \$300 deductible applies to the entire shipment rather than each individual article. The cost of this option will be **\$1.10 per \$100** of declared value.

Declared value may not be less than \$5 per pound of the total shipment weight.

OPTION 3—Replacement Cost Coverage with No Deductible

Option 3 provides full value replacement coverage for your belongings. The mover's maximum liability is your declared value, or \$5 times the weight of the shipment, whichever is greater.

Coverage: The mover will repair damage to your satisfaction, reimburse you for the replacement cost, or replace lost or damaged articles. The cost of this option will be **\$1.40 per \$100** of your declared value. Declared value may not be less than \$5 per pound of the total shipment weight.

Example: 1 bedroom apartment usually 2500 lbs, so additional charge for this option would be \$125
