BACKGROUND

- 1 Charter and excursion carrier services operating in the state of Washington, subject to regulation by the Washington Utilities and Transportation Commission (Commission), must file and maintain proof of liability and property damage insurance.
- 2 On February 1, 2011, the Commission notified you by letter that your certificate to operate as a charter and excursion carrier service in Washington would be suspended if your insurance company did not file with the Commission acceptable proof of insurance. We also informed you that you could contest suspension of your certificate by requesting a hearing within 10 days of receiving the notice.
- 3 The Commission has not received proof of insurance and you have not requested a hearing.

FINDINGS AND CONCLUSIONS

- 4 (1) The Commission is an agency of the State of Washington with authority to regulate charter and excursion carrier services as defined in RCW 81.70.
- 5 (2) Cascade Adventures, Inc., (Cascade Adventures), is a charter and excursion carrier service operating in Washington state under certificate CH-63835.
- 6 (3) On February 1, 2011, the Commission received notice of insurance cancellation related to Cascade Adventures effective March 8, 2011.
- 7 (4) The Commission is authorized under WAC 480-30-171(1)(a) to suspend a charter

and excursion carrier services certificate for failure to file and maintain proof of insurance.

- 8 (5) The Commission is authorized by WAC 480-30-171(2)(c) to cancel a charter and excursion carrier services certificate for failure to correct conditions leading to suspension within the time defined in the suspension order.

ORDER**THE COMMISSION ORDERS:**

- 9 (1) Certificate CH-63835, held by Cascade Adventures, Inc. is suspended for a period of 30 days effective March 8, 2011.
- 10 (2) Cascade Adventures, Inc. is directed to cease all operations associated with this certificate CH-63835 until the Commission receives proof of liability and property damage insurance and enters an order lifting this suspension and authorizing you to resume operations.
- 11 (3) If proof of insurance is not filed with the Commission within 30 days, certificate CH-63835 will be cancelled without further notice or order. To reinstate this certificate you must submit a new application and acceptable proof of insurance.
- 12 (4) Cascade Adventures, Inc. may contest cancellation of certificate CH-63835 by requesting a hearing within 10 days of service of this Order. A hearing request does not affect the suspension status of your certificate.
- 13 The Commission has delegated authority to the Secretary, or to the Secretary's delegate, to enter this Order under RCW 80.01.030 and WAC 480-07-905(6)(b) and Order 01 in Docket A-090485.

DATED at Olympia, Washington and effective March 8, 2011.

ORDER 01****PAGE 3**

NOTICE: This is an order delegated to the Secretary, or to the Secretary's delegate, for decision. In addition to serving you a copy of the decision, the Commission will post on its Internet Web site for at least 14 days a listing of all matters delegated to the Secretary for decision. You may seek Commission review of this decision. You must file a request for Commission review of this order no later than fourteen (14) days after the date the decision is posted on the Commission's Web site.

The Commission will schedule your request for review by issuing a notice of hearing to be held before an administrative law judge. The Commission, at its discretion, may consider your request for review in an adjudicative proceeding under RCW 34.05 Part IV, or in a brief adjudicative proceeding under RCW 34.05.482 through .494. Following hearing, the administrative law judge will enter an initial order. If you wish to seek review of the initial order, you may file a petition for administrative review under RCW 34.05.464, or if the matter is heard in a brief adjudicative proceeding, under RCW 34.05.491.

The Commission will grant a late-filed request for review only on a showing of good cause, including a satisfactory explanation of why the person did not timely file the request. A form for late-filed requests is available on the Commission's Web site.

This notice and review process is pursuant to the provisions of RCW 80.01.030 and WAC 480-07-904(2) and (3), and WAC 480-07-905, as amended effective September 22, 2008.

Thank you Baker Bus riders for another killer season. Our ridership this year was off the charts thanks to all of you who rode the bus!
 This summer from Memorial Day weekend through Labor Day weekend we will be launching a new transportation service: the Baker Brew Bus. Ditch the car and hop on the bus to be transported to and from all of your favorite breweries in Bellingham! Check out the link to our website for more information! <http://bakerbus.org/baker-brew-bus> Cheers!

Jill Davidson Zemp Wonderful ideal I would also like to recommend another transportation opportunity...driving day hikers to key hiking trails by baker. With all the car breaks, I follow a lot of hiking groups and it's one type of transportation lacking that people have been inquiring about.

Just a quick reminder that the Baker Bus will not be operating tomorrow, 1/28/18 or Monday, 1/29/18. The bus only operates when the ski area is open and Mt. Baker will be closed tomorrow and Monday. We will resume our normal midweek operation as soon as the ski area open which should be Tuesday. Refer to their website here for more details.

It's happening! The mountain has announced its opening day to be this Thursday, 11/16/17. We will be running our normal, mid-week schedule from Kendall to the ski area on Thursday. You can take the WTA 72X bus from Bellingham to Kendall to catch our bus. See their schedule here: <https://schedules.ridewta.com/#route-details?routeNum=72X>

Also, we have raised our prices by just \$1.00. It is now \$15.00 round trip from Bellingham and \$10.00 round trip from Kendall.
