**RE: Notice of Intent to Send to Collections, Penalty Assessment DG-190248**

Dear Sir or Madam:

As you are aware, on May 29, 2019, the Washington Utilities and Transportation Commission issued a Penalty Assessment against Diamond W Excavating, LLC in the amount of \$3,000 for violations of RCW 19.122 for failing to provide the required notice to facility operators through a one-number locator service prior to performing an excavation. The Commission sent you a Final Notice dated August 14, 2019, indicating that the balance of \$3,000 was due.

To date, the Commission has not received payment of the balance due.

**This is to notify you that the Commission intends to forward your outstanding debt to a collection agency for collection.** You likely will incur additional expenses and fees, including costs of collection, attorney's fees, and interest. These expenses and fees will be added to your outstanding \$3,000 balance.

If you have any questions about this letter or about your obligations under Commission rules, you may contact Brooke Tschida at (360) 664-1349.

Very truly yours,

SALLY BROWN  
Senior Assistant Attorney General
