RE: **UE-190473 (Advice No. 2019-24)**
PSE's Electric Tariff Filing – Do Not Redocket

Dear Mr. Johnson:

Puget Sound Energy (“PSE”) submits in connection with Docket UE-190474 the following tariff sheet to replace the tariff sheet that accompanied PSE’s June 6, 2019 filing which was submitted under PSE’s Advice No. 2019-24. This filing includes the following portion of the Company’s WN U-60 tariff for electric service.

16th Revision of Sheet No. 87 - Schedule 87: Income Tax Rider-Contributions in Aid of Construction

The purpose of this filing is to update the federal tax statutory reference to include the Tax Cuts and Jobs Act of 2017 after PSE’s discussions with the staff of Washington Utilities and Transportation Commission.

There is no change to the initial proposed federal income tax factor under Schedule 87, which is applicable to customers’ payment toward an electric vehicle charging equipment/station that PSE installs at their site under Schedule 552, Electric Vehicle Residential Charging Products and Services.

The tariff sheet described herein reflects an issue date of June 6, 2019, and an effective date of July 7, 2019. Notice and posting of the proposed tariff change, as required by law and the Commission’s rules and regulations, is being completed immediately prior to or coincident with the date of this transmittal letter through web, telephone and mail

access in accordance with WAC 480-100-193. In addition, a customer will receive an individual notice through the quoted price prior to incurring the Schedule 87 charge.

Please contact Mei Cass at (425) 462-3800 for additional information about this filing. If you have any other questions, please contact me at (425) 456-2142.

Sincerely,

/s/ Jon Piliaris
