Re: Charter Excursion Authority

Dear Mr. Nelson:

After further review of your business model, commission staff believes your company does not need charter and excursion authority from the commission as long as your company does not hold itself out as a passenger transportation company.

Staff believes your website currently reflects that Adventure Bus Tour is a passenger transportation company. To resolve this matter, update your website by indicating that Adventure Bus Tour: (1) does not itself provide transportation, (2) charges a fee for its services, and (3) charters with UTC-certificated motor carriers providing the transportation.

Please make these changes to your advertising by February 12, 2020. After your website is updated to our compliance program's satisfaction, we will dismiss the charter application and refund the application fee.

Please contact Mr. Jason Hoxit for further questions about this issue at (360) 867-8305 or jason.hoxit@utc.wa.gov.

Sincerely,

/s/ Jason Sharp
