Re: UE-200395 - Request for Exemption from WAC 480-109-130 and Condition 11(d) of Attachment A in Order 01 in Docket UE-190912

Dear Mr. Johnson:

On April 30, 2020, Avista Corporation, dba Avista Utilities (“Avista” or “the Company”), submitted a request for exemption of WAC 480-109-130, the annual requirement to file proposed revisions to its tariff WN U-28, Schedule 91 – Demand Side Management (“DSM”) Rate Adjustment. The Company also provided work papers in support of this request. This filing inadvertently omitted a concurrent request for exemption from Condition 11(d) of Attachment A in Order 01 of Docket No. UE-190912, which contains parallel cost recovery filing requirements to those in WAC 480-109-130. As such, Avista would like to amend its original request to include exemption from both WAC 480-109-130, as well as Condition 11(d) of Attachment A in Order 01 in Docket UE-190912.

Please let me know if you have any questions regarding this request.

Sincerely,

/s/ Shawn Bonfield
