UTIL. AND TRANSP.  
COMMISSION

Dear Mr. Johnson:

Cascade Natural Gas Corporation ("Company") hereby encloses for filing a replacement customer bill notification for the requested tariff update in this docket. The Company inadvertently relied on an old version of the WAC which caused it to originally submit an incomplete copy of a customer bill notification insert.

WAC 480-90-194(1) requires the utility to inform customers at least 30 days before the effective date of filing with the Commission any proposed tariff changes to increase charges. The reasons for the waiver request is that the Company received notification of the increase on July 10, 2020 and due to its billing cycle for the city of Burlington, will be unable to notify all its customers in a timely manner. The Company respectfully requests a waiver of WAC-90-194(1) to allow the Company to implement a new city tax effective August 31, 2020 for the City of Burlington, from 3 percent to 6 percent. The City adopted this change in Ordinance No. 1890, which will result in each customer in Burlington experiencing a 3 percent increase in their monthly bills.

If you have any questions regarding this filing, please contact Michael Parvinen at (509)-734-4593.

Sincerely,

*/s/ Michael Parvinen*
