Re: TV-200910 – Issuing Permanent Household Goods Permit HG068516

Dear Octopus Movers Services LLC:

On September 13, 2018, Octopus Movers Services LLC filed an application with the Washington Utilities and Transportation Commission (Commission) to provide residential household goods transportation services in the state of Washington. On November 15, 2018, the Commission approved the application in part and granted Octopus Movers Services LLC temporary authority to provide those services.

The Commission has determined that Octopus Movers Services LLC qualifies for permanent household goods carrier authority and approves the application in full. Permit HG068516 issued in the name of Octopus Movers Services LLC is enclosed, and the company may now operate on a permanent basis.

Octopus Movers Services LLC must continue to comply with state laws, Commission rules, and the provisions of Tariff 15-C. Failure to do so will result in Commission enforcement action, up to and including revocation of the company's permit.
