Re: UG-210145/W21-03-01, Supplemental filing of Cascade Natural Gas Corporation's Washington COVID-19 Bill Assistance (Big HEART Program)

Dear Mr. Johnson,

On March 01, 2021 Cascade Natural Gas Corporation (Cascade or the Company) submitted Advice filing CNG/W21-03-01 (Docket No. UG-210145) to create the Company's original tariff Schedules 304 & 304-A, which establishes Cascade's Washington COVID-19 Bill Assistance program, also called the "Big HEART Program". After consultation with Commission staff and stakeholders the Company herewith files the following supplemental electronic files:

UG-210145, CNGC Advice No. W21-03-01 Supplement, Sch 304, 03.08.21.pdf
UG-210145, CNGC Advice No. W21-03-01 Supplement, Sch 304 Leg, 03.08.21.pdf

The changes herein to proposed Schedule 304 would streamline the program's customer enrollment process, expand customer eligibility, and increase the opportunities for bill assistance. The Company withdraws its previously proposed Schedule 304-A as this supplemental filing consolidates terms from both sheets.

If there are any questions regarding this filing, please contact me at (509) 734-4593.

Sincerely,

/s/ Michael Parvinen
