**Re: Docket UE-210229 (Advice No. 2021-13)
PSE's Electric Tariff Filing – Do Not Redocket**

Dear Mr. Johnson:

Puget Sound Energy (“PSE”) submits in connection with Docket UE-210229 the following tariff sheet to replace one of the sheets that accompanied PSE’s first substitution filing on April 30, 2021. This substitution filing includes the following portion of PSE’s WN U-60 Tariff G for electric service:

28th Revision of Sheet No. 91, Schedule 91 Purchases from Qualifying Facilities of Five Megawatts or Less

The main purpose of this substitution tariff sheet filing is to revise the applicability of the Schedule 91 Monthly Rate section on Sheet No. 91. There are also two other changes in the Basic Charge table to correct typographical errors. These changes are made after consultation with the staff of Washington Utilities and Transportation Commission and the representative of existing and prospective QFs.

The tariff sheet described herein reflect an issue date of April 7, 2021, and an effective date of May 21, 2021. The tariff changes proposed in the filing do not increase recurring charges nor restrict access to the optional services under Schedule 91. Notice and posting of proposed tariff changes, as required by law and the Commission’s rules and regulations, is being completed in accordance with WAC 480-100-193(1).
