## KEEPING YOU INFORMED

### Proposed Rate Increase

On July 30, 2021, in Docket UE-210593, PacifiCorp dba Pacific Power & Light Company (Pacific Power) filed an advice filing with the Washington Utilities and Transportation Commission (Commission) to implement a rate adjustment to Schedule 91, Surcharge to Fund Low Income Bill Assistance Program, to recover the costs associated with Pacific Power's rate discount program for low-income customers.

This proposed change will result in an overall average increase to Washington customers of approximately 0.9%. A residential customer would see a bill impact of \$1.26 per month. The table below reflects the impact to customers by service type.

Type of Service	Percentage Increase	Current Surcharge	Proposed Surcharge
Residential service (Schedule 16, 18)	1.1%	\$0.74	\$2.00
Small general service (Schedule 24)	1.0%	\$1.56	\$3.84
Large general service < 1,000 kW (Schedule 33, 36)	1.1%	\$37.89	\$103.19
Large general service > 1,000 kW (Schedule 47T, 48T)	0.1%	\$257.50	\$300.00
Agricultural pumping service (Schedule 40)	1.2%	\$15.65	\$51.61

The Commission will examine Pacific Power's request. As a result of this examination, the Commission may determine that the schedule should be accepted as filed, modified, or rejected. If accepted as filed, the rate change would go into effect on October 1, 2021.

You are invited to comment to the Commission. The Commission has the authority to set final rates that may be lower or higher than the Company's request, depending on the outcome of its investigation. You can comment by using the "Submit a Comment" feature at the Commission's website, at [utc.wa.gov](http://utc.wa.gov), or by using the contact information below.
